Future ICUS programs

essential CEUS skills to improve patient care and your own professional opportunities. Experts will offer practical, state of the art tips you can use today and tomorrow. Don't miss this exciting opportunity!

The International Contrast Ultrasound Society (ICUS) is pleased to alert you to upcoming CEUS education and training programs for physicians, sonographers, nurses, ultrasound technicians, industry staff and others who wish to acquire new ultrasound skills that will directly impact patient care, outcomes and workflows.

This "CEUS Education and Training Bulletin" is emailed at least quarterly, and at no cost, to ICUS members in 60 countries. Membership in ICUS is free. To learn more about CEUS or to join ICUS, please visit the ICUS website: www.ICUS-Society.org.

Contents

1. ICUS sponsored educational courses
2. ICUS endorsed educational courses
3. Additional CEUS Education

1. 2019 ICUS-sponsored educational courses

Essentials of CEUS: The Basics and Beyond

Abdominal and Cardiovascular CEUS programs

Learn basic and advanced CEUS skills that are essential for ultrasound professionals - today and tomorrow. Physicians, sonographers, technicians, students and trainees will benefit from these well-received ICUS educational experiences.

Orlando -- April 10, 2019

Abdominal CEUS

- This course was recorded and access to all presentations is available at: <http://icus-society.org/ceus-orlando-2019-livestream-archive/>
- For details of agenda and faculty, please visit: <http://icus-society.org/ceus-education-and-training-orlando-2019/>

Chicago — May 18-19, 2019

Register now!

Chicago - Willis Tower, Suite 5900 (Dentons)

Abdominal CEUS - Saturday, May 18, 2019

Cardiovascular CEUS - Sunday, May 19, 2019

To register and for full details, go to: <http://icus-society.org/ceus-education-and-training-chicago-2019/>

Washington, D.C. — September 21-22, 2019

Abdominal CEUS; Cardiovascular CEUS
1900 K Street, N.W.

Los Angeles — October 18-19, 2019

Abdominal CEUS; Cardiovascular CEUS
University of Southern California

ICUS educational courses cover:

- o Microbubble contrast agents: What are they and how do they work?
- o Standard performance of CEUS
- o Fundamentals for interpretation of CEUS examinations
- o CEUS applications

For more information please contact:

- o Stephanie Wilson - stephanie.wilson@ahs.ca
- o Steve Feinstein - stevebfeinstein@gmail.com
- o Robin Adams - robin.adams@dentons.com

2. ICUS-endorsed CEUS courses

1. Childrens Hospital of Philadelphia (CHOP) - Center for Pediatric Contrast Ultrasound (CPCU) - Pediatric Contrast Ultrasound Workshops

Full day, small-group, hands-on training for radiologists, sonographers and ultrasound application specialists. Sessions teach basic principles of pediatric CEUS applications.

Remaining 2019 dates: June 4, July 9, Aug 6, Sep 10, Nov 5, Dec 10, 2019

To learn more and register, please email: shellikers@email.chop.edu or call 267-425-7184

2. 28th Hammersmith Echocardiology Conference

Hammersmith Hospital, London, UK

June 10, 2019 -- CEUS workshop with live patient demonstrations

June 10-14, 2019 -- Full course

Program for clinicians and sonographers who use echocardiography for problem solving in most clinical scenarios.

Sessions will be broadcast live by Livemedia (<http://Livemedia.com>) and archived.

To learn more and register, please visit: events@w12conferences.co.uk or email: tony.steedman@nhs.net.

3. Bubble Conference - Chicago

34th Annual Advances in Contrast Ultrasound International Bubble Conference

September 5-6, 2019

The Blackstone Hotel, 636 South Michigan Avenue, Chicago, Illinois 60605

For more details, visit www.bubbleconference.com

4. Bubble Conference - Rotterdam

25th European symposium on Ultrasound Contrast Imaging

January 16-17, 2020

Hilton Hotel, Rotterdam, The Netherlands

Organized by Erasmus University Medical Centre.

Features US and European experts on CEUS for clinical and research applications.

To learn more and register, please visit: <http://www.echocontrast.nl/>

3. Additional CEUS Education

European Federation of Societies for Ultrasound in Medicine and Biology (EFSUMB)

CEUS schools and calendar - <http://www.efsumb.org/blog/ceus-euroson-schools>

CEUS and Endovascular Aortic Repair 2019 - 10th International Workshop on CEUS and EVAR

May 16th, 2019

Ludwig Maximilian University, Munich

For full details, please visit: <http://icus-society.org/wp-content/uploads/2019/03/CEUS-München-2019-details.pdf>

World Federation for Ultrasound In Medicine and Biology (WFUMB)

Medical Student Network Group

www.wfumb.org

WFUMB has created a worldwide Medical Student Network Group where medical students may learn and share with other medical students, and also educators with a special interest in ultrasound. An invitation for medical students to join the WFUMB Medical Student Network Group has been posted through social media and also on the WFUMB website. To join, please go to:

<https://www.wfumb.org/homepagestories/c/0/i/29515677/wfumb-medical-student-network-group-join-conversation>

About ICUS

The International Contrast Ultrasound Society (ICUS) is the only global medical society exclusively devoted to advancing the safe and appropriate use of contrast-enhanced ultrasound (CEUS) to improve patient care. ICUS members represent diverse specialties such as cardiology, radiology, vascular imaging, gastro-intestinal imaging, oncology, OB-GYN, and hepatology, and include physicians, scientists and other ultrasound imaging professionals in approximately 60 countries. For more information about ICUS, please visit: www.icus-society.org

(CEUS) medical imaging technology.
