

CEUS Education and Training Bulletin

September 2019

Learn when and how to use Contrast Enhanced Ultrasound (CEUS) to improve patient care, outcomes and workflows.

The International Contrast Ultrasound Society (ICUS) is pleased to alert you to upcoming CEUS education and training programs for physicians, sonographers, nurses, ultrasound technicians, industry staff and others who wish to acquire new ultrasound skills that will directly impact patient care, outcomes and workflows.

This “CEUS Education and Training Bulletin” is emailed at least quarterly, and at no cost, to ICUS members throughout the world. Membership in ICUS is free. To learn more about CEUS or to join ICUS, please visit the ICUS website: www.ICUS-Society.org.
