# Contrast-Enhanced Ultrasound

Valuable Ultrasound Specialty Education & CME Opportunities!

Learn about the latest trends and **earn 1 CME credit** during this final session of the AIUM Lecture Series. Leaders from the AIUM Contrast-Enhanced Ultrasound community will share their findings and answer your questions during a live Q&A session at the conclusion of the presentations.

## LEARNING OBJECTIVES

At the conclusion of the Contrast-Enhanced Ultrasound Lecture Series, attendees should be able to:

- Describe how to detect aortic endoleak leaks with CEUS;
- Discuss how CEUS can be used to decrease the number of renal lesions in followup;
- Detail common issues in CEUS to avoid to optimize success; and
- Discuss sonographer administration of contrast.

## REGISTRATION FEES

- **Members:** \$30
- **Nonmembers:** \$60—[Become a member today](#) to receive discounted registration on this lecture series session and hundreds of other educational opportunities in our new [Online Learning Center](#).

**REGISTER TODAY!**

## SCHEDULE

*(All times are listed in Eastern Standard Time)*

### New Trends in CEUS

#### 1:00 pm–1:05 pm: Introduction

Andrej Lyshchick, MD, MPH, FAIUM (moderator)

#### 1:05 pm–1:15 pm: Abdominal Aortic Aneurysm Stent Endoleak Detection with CEUS—How I Do It

Andrej Lyshchick, MD, MPH, FAIUM

#### 1:15 pm–1:30 pm: How to Decrease the Number of Renal Lesions in Followup with Renal CEUS

Richard Barr, MD, PhD, FAIUM, FSRU, FACR

#### 1:30 pm–1:45 pm: CEUS Preparation, Administration and Who Should Inject—Tips From the Echo Lab

Pamela Burgess, BS, ACS, RDCS, RDMS, RVT, FASE

#### 1:45 pm–2:00 pm: Question and Answer

Note: This series is being offered as a live online event only. A recording will not be available.
