

Announcing: 2023 CEUS Webinars

For physicians, sonographers, nurses & other ultrasound professionals

Free CME * Off-label & approved uses * World-renowned ICUS expertise

And conveniently available on new ICUS mobile app!

Registration & agendas:

Visit the ICUS website -- www.ICUS-Society.Org

Download **ICUS Connect** – the new ICUS mobile app!

Date	Modality	Topic & Speakers
Jan 19 1-2:30 EST	Echo	New CEUS Cardiac Exam Protocols -- ICUS Recommendations for Best Practices, Step by Step Tom Porter, Roxy Senior
Feb 16 7:00 pm - 9:30 pm UTC+8 (Beijing)	Ped	CEUS For Assessment of Pediatric Patients <i>Joint ICUS-CUDA Webinar</i> <i>Offered in English & Mandarin</i> Faculty in formation
Feb 23 1-2:30 EST	Body	A Touch of CEUS physics: Quantification and the future <i>New QUIBA Committee Recommendations for CEUS evaluation of bowel and liver masses; CEUS technology – present and future</i> Mike Averkiou. Peter Burns
Mar 9 1-2:30 EST	Echo	Clinical Value of CEUS in Daily Cardiology Practice: I Cannot Do an Echo Without Contrast! <i>When, why and how to use contrast in stress echo, perfusion, technically difficult patients, hospitalized patients with Covid19, assessment of cardiac masses, aortic dissection, TEE, etc.</i> Petros Nihoyannopoulos, Sharon Mulvagh, Jordan Strom, Arnaldo
April 27 7:00 pm - 9:30 pm UTC+8 (Beijing)	Body	CEUS – LI-RADS: Clinical Application <i>Joint ICUS-CUDA Webinar</i> <i>Offered in English & Mandarin</i> Faculty in formation
May 11 1-2:30 EST	Body	Inclusion of Body CEUS in Current Practice Guidelines <i>What are they and how do clinicians follow them? How is CEUS helpful for oncology follow up, HCC ablative therapy and assessment of an indeterminate kidney cystic mass?</i>

June 8 1-2:30 EST	Echo	Myocardial Perfusion Echocardiography in the Clinic, ER and ICU: What Are The Prognostic Implications? Tom Porter, Roxy Senior
June 22 1-2:30 EST	Body	Liver masses where you don't expect them <i>CEUS for evaluating pregnant patients, Fontan liver disease, inflammatory pseudotumors</i>
July 13 7:00 pm - 9:30 pm UTC+8 (Beijing)	Body	CEUS for Assessment Superficial Organs <i>Joint ICUS-CUDA Webinar</i> <i>Offered in English & Mandarin</i> Faculty in formation
August 3 1-2:30 EST	All	Sonographer CEUS Training From Start to Finish: Echo and Body Imaging <i>IV training, agent preparation, special techniques - and more!</i> Christine Merrill, Maria Stanczak, Jessica Stout, Joan Olson
Sept 21 1-2:30 EST	Echo	New Frontiers in CEUS for Echo Excellence: A Step-By-Step Guide <i>Myocardial perfusion, carotid imaging/strain, TEE, cardio-oncology, monitoring of endovascular leaks, and more!</i> Wilson Mathias, Steve Feinstein, Sharon Mulvagh, Jordan Strom
Sept 28 1-2:30 EST	Ped	Fundamentals of CEUS for Imaging Pediatric Patients Kassa Darge and Colleagues
Oct 26 7:00 pm - 9:30 pm UTC+8 (Beijing)	Body	Clinical Value of CEUS For Evaluating Efficacy of Chemotherapy in Solid Tumors <i>Joint ICUS-CUDA Webinar</i> <i>Offered in English & Mandarin</i> Faculty in formation

More Bubble Education

1. [Rotterdam](#) – European Bubble Conference – Jan. 19-20, 2023
2. [London](#) - Hammersmith Echo – 1st week in June
3. [Chicago](#) - International Bubble Conference – Sept. 7-8, 2023
4. [Munich](#) – International Course in CEUS – Oct. 2023
5. [Washington DC](#) – ICUS-SRU joint CEUS session during SRU conference Oct. 20-22, 2023
6. [Muscat, Oman](#) - WFUMB-ICUS joint CEUS session during WFUMB conference Nov. 4-7, 2023
7. [Philadelphia](#) - CHOP Pediatric CEUS Center – Ongoing

8. Hangzhou – Westlake International Forum on Medicine & Biology (WIFUMB) – TBD

ICUS sponsors – leaders of the global ultrasound community!

The International Contrast Ultrasound Society (ICUS) is a nonprofit global medical society devoted to advancing contrast-enhanced ultrasound (CEUS) utilization to improve patient care. The ICUS community welcomes physicians, sonographers, nurses, scientists and other ultrasound imaging professionals, as well as patients and members of the public.

Membership in ICUS is free. To join and learn more about CEUS, please visit the ICUS website (www.icus-society.org), download the free ICUS mobile app (ICUS Connect), watch our free educational webinars, and follow ICUS on Twitter: [icus_society](https://twitter.com/icus_society)
